

Nebraska's Centennial Mall

Spirit of Nebraska Pathway Order Form

The Spirit of Nebraska Pathway is a series of granite and bronze tiles placed along the twin walkways that frame all seven blocks of Nebraska's Centennial Mall. The pathway program is an opportunity to honor or recognize Nebraskans, organizations, businesses and events. All members of the Nebraska Hall of Fame are recognized along the Spirit of Nebraska Pathway. The bronze tiles have interactive QR codes so stories of individuals, families, leaders and organizations will come to life through the use of this technology via smart phone or computer tablets, which will evolve as new technology is created. Stories can be viewed at EducationonLocation.org.
